The Journal of Austrian Studies is an interdisciplinary quarterly that publishes scholarly articles and book reviews on all aspects of the history and culture of Austria, Austro-Hungary, and the Habsburg territory. It is the flagship publication of the Austrian Studies Association and contains contributions in German and English from the world's premiere scholars in the field of Austrian studies. The journal highlights scholarly work that draws on innovative methodologies and new ways of viewing Austrian history and culture. Although the journal was renamed in 2012 to reflect the increasing scope and diversity of its scholarship, it has a long lineage dating back over a half century as Modern Austrian Literature and, prior to that, The Journal of the International Arthur Schnitzler Research Association.
