Request for acquisition of
Journal of Magazine Media
ISSN Print 2576-7887 Electronic 2576-7895
Published by the University of Nebraska Press

The Journal of Magazine Media is devoted to advancing research, knowledge, and understanding of magazines and new media and the pedagogy related to those areas. The journal publishes research reports and interpretive articles refereed by members of the editorial board as well as other experts. The journal also prints opinion pieces, essays, and critical reviews of books and teaching materials that deal with magazines and new media. Founded in 1999, the journal is international and peer-reviewed. It is the official journal of the Magazine Division of the Association for Education in Journalism and Mass Communication and division members receive subscriptions as a benefit of membership.

Published biannually
One-year subscription, U.S. Institutions $87.00
One-year subscription, Institutions outside the U.S. $99.00
One-year electronic subscription $87.00
Prices subject to change.
