Legacy: A Journal of American Women Writers
ISSN Print 0748-4321 Electronic 1534-0643
Published by the University of Nebraska Press

Legacy is the official journal of the Society for the Study of American Women Writers. It is the only journal to focus specifically on American women's writings from the seventeenth through the mid-twentieth century. Each issue's articles cover a wide range of topics: examinations of the works of individual authors; genre studies; analyses of race, ethnicity, gender, class, and sexualities in women's literature; and historical and material cultural issues pertinent to women's lives and literary works. In addition, Legacy regularly publishes profiles of lesser-known or newly recovered authors, reprints of primary works in all genres, and book reviews covering current scholarship in the field.
