Payment Terms

All subscriptions must be prepaid before the orders will be processed. Orders sent in with an insufficient amount will not be fulfilled until the difference is received by the University of Nebraska Press (UNP).

Agents sending in orders with incorrect amounts will be billed a \$25 service fee in addition to having their customers' orders being held until the correct amount is received.

All payments must be made in U.S. funds by check, money order, or credit card. UNP accepts Visa, MasterCard, and Discover.

Pro forma quotes and invoices are available upon request.

Determining the Correct Subscription Rate

It is UNP policy to accept subscriptions at individual rates when they are paid by personal check or credit card. Subscriptions ordered or paid for by libraries, schools, academic departments, government agencies, businesses, and agents are charged at institutional rates.

If the end recipient of a subscription resides outside the U.S., the non-U.S. subscription rate applies, even if UNP is directed to send the journals to a distribution center within the U.S. This policy is necessary in order for foreign subscribers to retain claim privileges on missing issues.

Taxes on subscriptions and single issue orders

Include Nebraska sales tax on orders shipped to individuals and corporations in Nebraska. (Libraries, educational institutions, and most non-profit organizations and governmental entities are exempt.) Shipping charges are taxable. Rates vary depending on the customer's address. <http://salestaxrates.ne.gov/nedor/>

Orders shipped to Canada must include appropriate GST or HST. Rate information is available at www.cra.gc.ca

Postage and Shipping

All postage costs are figured into the full-volume subscription rates. Postage charges must be applied to all single issue orders:

- If mailed to an address in the U.S.: \$5 for the first copy and \$1 for each additional copy.
- If mailed to an address outside the U.S.: \$10 for the first copy and \$2 for each additional copy.

U.S. customers should allow 2 – 4 weeks for delivery and those outside the U.S. should allow for up to 60 days. Faster delivery is available for single issue orders, but additional charges will apply; call for details.

Subscribing to the Correct Volume

All institutional print subscription orders must indicate the volume number being ordered. Orders which do not specify a volume are not eligible for claims. It is the responsibility of the customer and/or the customer's agent to verify the volume number required to prevent gaps in coverage.

Electronic Single Title Subscriptions and Combination Print/Electronic Subscriptions--Institutions

Project MUSE and JSTOR's Current Scholarship Program handle all institutional orders for electronic single title and print/electronic subscriptions for the University of Nebraska Press. For more information, visit <http://muse.jhu.edu> and <http://www.jstor.org>. Do not contact UNP for these subscriptions.

Electronic Subscriptions—Individuals

UNP is expanding availability of electronic subscriptions to individuals. Visit the UNP website for the most current information on electronic subscriptions. Individual electronic subscriptions are ordered through the UNP website.

Agency Discounts

We do not offer any agency discounts on our journals.

Cancellations/Claims

Once an order is placed, no cancellations are allowed and no refunds or credit memos will be issued.

Claims for all print subscriptions should be directed to UNP, not the

journal editor or society, with the exception of subscriptions to *Western American Literature*. Both the subscription orders and claims are handled by the Western Literature Association.

Institutions with problems with electronic subscriptions should contact the service from which the subscription was purchased, either Project MUSE or JSTOR.

Individuals with problems with electronic subscriptions should contact UNP.

Claims for missing print issues are honored for six months following the date the issue was mailed. If a claim is received within the six month period, a replacement copy will be sent free of charge, provided the issue is still in stock and that the customer has a valid subscription to the volume that includes that issue.

If a claim is made more than six months after the mailing date, the customer will have the option of buying a replacement copy at the single copy rate, provided the issue is still in stock.

Change of Address

Please notify us in advance of any address changes. When contacting us, provide both the old and the new addresses. If you have the subscription number available, please provide it as well.

Additional Resources

UNP Journals will be launching a new website with enhanced information and features in late 2017. To be sure you are visiting the most current version of our website, go to nebraskapress.unl.edu and click on "Journals."

Single Articles

Both Project MUSE (muse.jhu.edu) and JSTOR (www.jstor.org) are increasing the availability of single article downloads for non-subscribers. Please check with these services to see if the article you desire is available. If you are unable to access an article through either of these services, contact UNP to see if we can be of assistance in finding a source for the article.
